## **Packing Tips**

Make sure your name is on all personal belongings. That way when you lose it, we will be able to identify whose it is and the Scoutmaster does not have to go home with more things he brought.

Do not pack any food, candy, drinks. If you decide to do this, you will have visitors that you really don't want in your tent and trunk.

If you are taking Swimming MB, Lifesaving MB, and BSA lifeguard a long sleeve shirt, full-length pants and low quarter shoes (tennis shoes) are required. Cotton clothing is best.

Long pants are required for Horsemanship MB.

Camping MB, Hiking MB, and Backpacking MB all require you bring items to camp. Please read the requirements before you leave for camp to make sure you will be prepared. Other Merit Badges, especially the Handicraft and Shooting Sports require supplies that can be purchased at the trading post.

Steele Island Wakeboarding participants, be sure to bring 2 swimsuits that won't come off easily.

The first year program will also go on an overnigher on Thursday night. It is a great opportunity for the younger Scouts to try out their skills and get away for a night.

## **What NOT to pack or bring:**

- Cell Phones
- Electronic Items
- Sheath Knives
- Open toe shoes or sandals
